

Our Services

Before School

Our Before School programme gives children the perfect start to their day with a calm, energising morning routine that helps them arrive at class focused and ready to learn, while giving parents a stress-free start to their day.

After School

Our After School programme runs until 6 p.m., offering busy families a convenient, stress-free solution for school pick-ups. It provides fun, active, and enriching activities through our Adventure Programme in a safe and supportive environment.

Holiday Programme

Designed for holiday periods, our Holiday HQ programme helps schools continue supporting their communities during school closures by offering flexible, high-quality care from 8:30 a.m. to 5:30 p.m., with themed days, sports, special events and engaging activities children love.

NCS Supported

Our term-time and holiday programmes are eligible for the National Childcare Scheme (NCS), offering discounts from €2.14 to €3.75 per hour, per child, making out-of-school hours care more accessible and affordable for all families.

How we support children's development

The Adventure Programme empowers children to shape their own learning through over 1,000 child-led activities across seven categories, supported by "Kids' Meetings" that foster curiosity, confidence, and creativity.

Super Sports: Sporty sessions designed to develop essential skills for a lifetime of active living.

Wellbeing Warriors: Activities designed to help children feel good by boosting happiness, mindfulness, and wellbeing.

Flavour Fest: Children explore the tasty world of food through experiences created to develop healthy habits.

Power Teams: Fun games, thrilling challenges and exciting group activities to build team skills for life.

Creative Inventors: Activities that combine expressive arts, materials and crafts to fuel children's inner inventors and unlock their hidden talents.

Brain Boosters: Children explore the wonder of the world with hands-on STEM activities.

Global Kids: Children learn how to protect our planet through developing essential life skills.

Why partner with us?

Trusted Expertise

Our robust health, safety, and compliance processes exceed national regulations, supported by regular inspections and continuous quality checks.

Effortless Partnership

There's no extra work for your school team. We handle all administration, bookings, recruitment, and marketing, making the partnership seamless.

Revenue & Growth

Our revenue-share programmes, through a flat monthly fee or a percentage of turnover, provide additional funds schools can reinvest in their spaces and facilities.

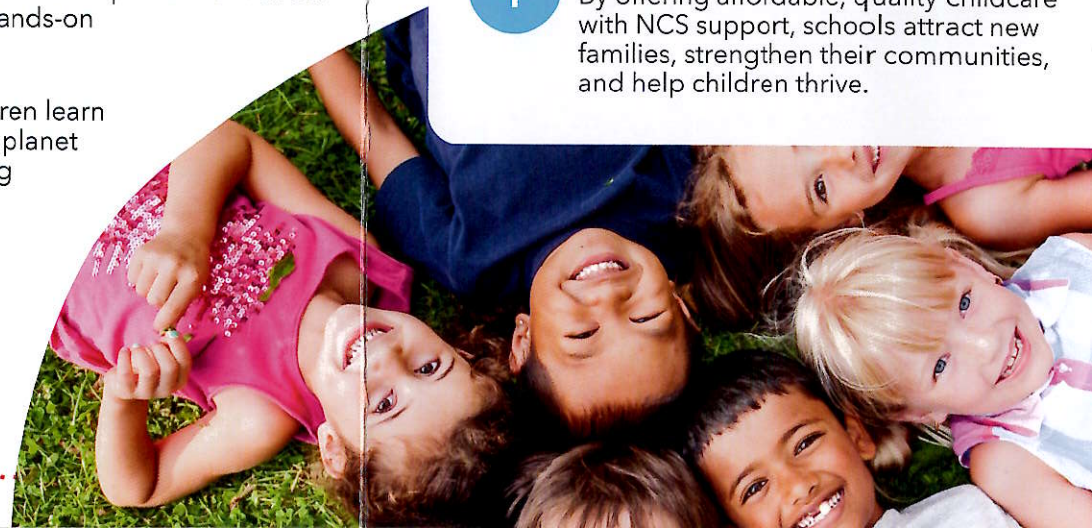

Pop-Up Model

If schools have limited space, our adaptable "pop-up" model fits seamlessly into shared classrooms and facilities, always leaving every area clean, tidy, and ready for the next day.

New Enrolments

By offering affordable, quality childcare with NCS support, schools attract new families, strengthen their communities, and help children thrive.

About us

Established in Ireland in 2014, Sherpa Kids provides before school, after school, and holiday programmes nationwide supporting local communities through play, movement, and engagement. With a passion for creating positive experiences, our goal is simple: to make every day exceptional for children and families.
